

Aloha and welcome to the Hawai`i English Language Program (HELP) at the University of Hawaii at Mānoa! For more than 50 years HELP has provided class to international students who want to improve their English skills for academic, professional, or personal purposes. HELP is centrally located on the beautiful UH Mānoa campus, and our students have access to services and facilities on the campus.

HELP is the acknowledged pathway into the University of Hawaii system for students who need to sharpen their Academic English skills before starting courses at UH or in another American college or university. HELP students can join our weekly activities, take part in sports and cultural events, and participate in Service Learning and Internship opportunities in the local community. Come have a transformative learning experience in lovely Hawaii!
