

## 2021 Spring Semester Online Program – Japanese Language Courses (JLC)

KGU will be offering a limited number of Japanese Language Courses for the 2021 Spring Semester Online Program.

### **KGU Online Japanese Placement Test (mandatory):**

Online program exchange students wishing to register Japanese Language Courses will have to sit for the KGU Online Japanese Placement Test. More details will be made available during the Online Program Orientation. The KGU Placement Test will only be used to evaluate each student's current level and will in no way affect grades for the coming semester.

※Taking the KGU Online Japanese Placement Test is mandatory for all students planning to register Japanese Language Courses (JLC).

### **Japanese Level:**

Students will be placed into 8 Japanese levels based solely on the results of the KGU Online Japanese Placement Test.

Please check the below scale for an indication of what each level corresponds to.

### **Teaching Method:**

All Japanese Language Courses will be offered via livestream from Japan, based on the Japan Standard Time (JST).

Japan Standard Time (JST) = UTC+09:00

No special considerations will be given to students who are unable to attend those sessions due to time differences.
